Dr. Masangkay joined Incyte Diagnostics in 2022. He is currently the Laboratory Medical Director and a pathologist at Olympic Medical Center in Port Angeles, WA.

Dr. Masangkay earned his medical degree from the University of Santo Tomas Faculty of Medicine and Surgery in Manila, Philippines.

After obtaining his medical degree, Dr. Masangkay completed his residency in anatomic and clinical pathology in New York at the Metropolitan Hospital Center.

Following his residency, Dr. Masangkay completed a fellowship in Surgical Pathology at North Shore University Hospital in New York.

After completing his fellowship in 1995, Dr. Masangkay worked for eight years as a pathologist for Beth Israel Regional Medical Center in Passaic, New Jersey.

From 2003 to 2005, Dr. Masangkay was a senior pathologist for Quest Diagnostics, Inc. in Teterboro, New Jersey.

In 2006, Dr. Masangkay began his current position as a pathologist at Olympic Medical Center in Port Angeles, WA as well as at Northwest Pathology, PS in Bellingham, WA.

Since 2013, Dr. Masangkay has served as the Laboratory Medical Director at Olympic Medical Center. He is also a CAP inspector.

Dr. Masangkay's special interests include genitourinary pathology, gastrointestinal pathology, and clinical laboratory medicine.

Outside of medicine, Dr. Masangkay enjoys spending time with his wife and three children, golfing, playing guitar, and cooking.
